CABLES

Alpha's offers full range of cables & wiring solutions to its customers with unmatched technical support and commercial benefits. Our product offerings are Power Cables, Instrumentation Cables, Cathodic Protection cables and all kind of specialized cables. We are one of the major stockist for cables in Kazakhstan & GCC region with partnered to many established cable manufacturers from KSA and across the globe

Control and Power Cables

- Low Voltage cables
- Medium Voltage cables
- High Voltage cables
- Grounding cables
- Flexible Cables
- Building Wires
- Aluminium conductor steel reinforced cables

Special Cables

- High Temperature cables
- Fire resistance cables
- Solar Cable
- Rubber Flexible cables
- Metal clad cables
- Overhead Conductors

Instrumentation and Process Cables

- Low Voltage cables
- Instrumentation cables – Type PLTC,
- Instrumentation cable – Type TC,
- Thermocouple Extension cable – Type PLTC,
- Lead Sheathed cables,
- Foundation Fieldbus cables

Cathodic Protection Cables

- Negative single insulated cables,
- Positive double insulated cables
- KYNAR cables

Data and Communication Cables

- Optical Fibre cables,
- Coaxial cables,
- Data cables – LAN-UTP,
- System cables,
- Telephone cables

CABLE MANAGEMENT

Alpha offers full range cable management solutions to its customers. An electrical system is only as reliable as its conductors and conduit systems & fittings which provide unsurpassed protection for wire and cables in the most demanding applications. Our product offerings are categorised to Conduits & Accessories, Cable glands & lugs, Fastening Solutions, Tray & Trunking Solutions, Termination & Joints and Insulation Material

Conduits & Accessories

- EMT Conduits
- Rigid Steel Conduits
- GI Conduits
- PVC Coated Conduits
- PVC Conduits
- Flexible Conduits

Fastening Solutions

- Cable Cleats
- Cable Ties (Nylon & Stainless Steel)
- Band & Buckle
- Adjustable Clamping Systems
- Mounting Hardware & Brackets

Cable Glands & Lugs

- BW & CW Type Glands
- A2 & A4 Type Glands
- Ex rated Cable Glands – E1FW & E2FW Type
- E1W & E2W Type Glands, CW Aluminium Glands
- A2F Type Glands
- PG Type Glands
- Pin / Ring / Fork / Socket type cable lugs
- Aluminium / Copper / Bimetallic Cable lugs
- MV / LV Multiple Hole Cable Lugs

Termination & Joint

- Termination Kit
- Joints & Splicing Kit
- Insulating Boots
- Earthing Kit

Tray & Trunking Solutions

- Cable tray systems (Aluminum, Stainless Steel, PVC & Epoxy coated)
- Cable Ladder system
- Cable & Floor Trunkings
- Bench Trunkings
- Busbar Trunkings & Accessories
- Canti Lever Arms

Insulation Materials

- PVC / Rubber / Insulation Tapes
- Fire Retardant Tapes
- Color Coded Markers
- Marker Ferrules
- Self-adhesive Wire Marker

ELECTRICAL BULK MATERIALS

Alpha offers entire range of Industrial & Hazardous area fittings as electrical bulk materials. We Alpha is very strong in giving explosion proof range of products and solutions. We deal with hold a huge stock of these materials and offers an extensive technical support to customer.

Industrial Fittings

- Conduit Fittings
- Conduit Bodies and Outlet Boxes
- Service Entry Fittings
- Cord Fittings

Fittings Accessories

- Connectors
- Couplings
- Clamps
- Straps
- Clampbacks
- Union Elbow
- Tee
- Reducer
- Bushings
- Nipple
- Washer
- Plug

Hazardous Area Fittings

- Conduit Fittings
- Conduit Bodies and Outlet Boxes

EARTHING AND LIGHTNING MATERIALS

GTP provides total solutions for Earthing & Lightning Protection which gain complete protection against all the risks from electrical surge. We support our customers with multiple branded product and a total solution approach which suits their design requirements. We stock and sell all range of products related to Earthing, Grounding & lightning protection.

Grounding and Bonding

- Grounding Busbars
- Compression connectors
- Mechanical Connectors/Clamps
- Neutral bars
- Static Discharge Reels

Lightning Protection

- Bare Conductor (Copper & Aluminum)
- Lead / Tin Covered Conductor
- PVC/LSOH covered conductor
- Neutral bars
- Flexible Braid
- Static Discharge Reels
- Flexible Braid Air Rods
- Air rod bases & Saddles,
- Rod brackets & Coupling ,
- Strike Pads,
- Multiple Points,
- Free standing air terminations

Earthing Materials

- Earth Rods
- Inspection Pit
- Earth plate
- Earth Pit

JUNCTION BOXES

Alpha is very strong in giving explosion proof range of products and solutions. We deal with hold a huge stock of these materials and offers an extensive technical support to customer. We deal with Rigid Galvanized Steel (RGS) Electro Metallic Tube(EMT) PVC & Epoxy Coated materials. Industrial Enclosures, Ex Rated Enclosures, Control Station & Switch racks

Industrial Enclosures

- Aluminium enclosure
- Polycarbonate enclosure
- Stainless Steel Enclosure
- MS Enclosure
- ABS
- Polyamide Enclosure

EX Enclosures

- Aluminum Ex
- Polyester Ex
- Stainless Steel
- Ex d Enclosures

EX Control Station

- Control Station
- Switch Racks

LIGHTING SOLUTIONS

Alpha's lighting division is aimed at creating a business that can offer a wide range solutions to Industrial requirements. We are specialised in explosion proof and hazardous area lighting. Were the distributor for several leading manufacturers from all over the globe. Our product offerings are

Industrial Lighting

- Explosion-proof fluorescent fittings
- Explosion-proof flood lights
- Low Bay and High Bay fittings
- Reflector Batten fittings
- Weather-proof fluorescent fittings

Lighting Poles

- Octagonal Poles
- Round Stepped Tapered Poles
- Conical Poles
- High Masts
- Aluminium poles, Decorative and smart poles

SWITCH GEAR PRODUCTS

GTP is the leading distributor for international brands in the field of electrical switch gear products. We stock and sel al kinds of low voltage switchgear components adhering to either IEC or NEMA standards

- Miniature Circuit Breaker(MCB)
- Moulded Case Circuit Breakers (MCCB)
- Air Circuit Breakers, Contactors
- Disconnecter switch
- Safety Switches
- Distribution board
- Control Components
- Industrial Plug & Socke
